Whether or not you are vested under the Florida Retirement System, you should attend this program!

If you are employed by a state agency, a university, a county, district school board, community college, a city, special district, or other organization participating in the Florida Retirement System, this seminar is important to you.

By the time you reach mid-career, it will be worth your time to make an estimate of your necessary expenses and your retirement income. You should become informed about DROP as early as possible in order to plan for maximum retirement income from both the FRS and DROP participation.
